Twelve Days - A Winter Holiday Wearn Jo Arbee 2017-11-27 An adolescent 17-year old boy has fallen deeply in love with a girl, but he is unable to communicate this to her. They are part of a youth group on a twelve day winter skiing holiday in the mountains. He experiences a roller coaster of emotions, love triangles, jealousy, nights at a cemetery, and is finally able to overcome his own shyness. There is snowfall, skiing, and mulled wine - all wonderful elements of an experience that he shall never forget. The story takes the subjective viewpoint of this boy. The reader follows his thoughts and inner reflections throughout these twelve days. Misunderstandings, mistakes in dealing with others and a general inexperience in human interactions place big obstacles in his way. But he is learning and will eventually be able to overcome the wall that seems to surround him. So will he get the girl of his pursuit in the end?

The Way Fanny S.M. 2021-06-11 Not many would dare to take challenging decisions in life when life itself is full of uncertainties and confusions. But I had to; may be because of my birth as the eldest daughter to a typical Indian middle class family which was surmounted by a variety of problems and the responsibilities attached therewith. But the Way I tread never deceived me, rather I was led to a glorious place called the Parliament of India about which I have never dreamt of. The Way is the inspiring account of my life which vividly portrays the struggles I had to face to reach this place from a humble beginning. Though circumstances were not in my favour, faith in God and willingness to move on with optimism helped me to achieve success in life. Jesus had been my counselor during the difficult period of life and set my Way because He Himself is the Way. My life is a wakeup call for the readers to move on in life in spite of various unfavorable situations and to assure that all the sorrows and uncertainties will be transformed into joy and peace soon.

Straight to the Heart of Solomon Phil Moore 2013-04-17 Life only works God's way. That's what Solomon teaches us in the book of Proverbs. Our love lives will only work God's way too, as Solomon celebrates in his risqué Song of Songs. Sadly, Solomon wrote Ecclesiastes in his old age as a record of what happened to him when he failed to follow his own advice. He warns us from experience that life really does only work God's way. God inspired the Bible for a reason. He wants you read it and let it change your life. If you are willing to take this challenge seriously, then you will love Phil Moore's devotional commentaries. Their bite-sized chapters are punchy and relevant, yet crammed with fascinating scholarship. Welcome to a new way of reading the Bible. Welcome to the Straight to the Heart series.

Simplify Your Holidays Marcia Ramsland 2008-09-16 Organization and simplification expert Marcia Ramsland tackles the holidays with an eight-week plan designed to make Christmas a season of celebration, not stress. Most people begin to prepare for Christmas as soon as Thanksgiving is over, which can create great stress since Thanksgiving happens at a different time every year. However, Halloween is consistently eight weeks before Christmas, so beginning then ensures enough time to prepare and plan for both Christmas and Thanksgiving and to make this a season of joy for yourself and your family. This planner addresses all the details of the busy holiday season, including buying, wrapping, and sending presents, sending Christmas cards, home decorations, and cooking and baking. What sets this planner apart is a day-by-day plan that breaks every task into manageable pieces and a daily devotional journal that keeps the reader focused on the reason for all the activity, encouraging a spirit of praise, not panic.

There's a healthy eating plan specifically designed to reset your taste buds, balance out your blood sugar and curb your sweet cravings, while exercises and techniques based on Cognitive Behavioural Therapy (CBT) will teach you how to come to break bad habits, beat cravings, maintain motivation and, ultimately, have a healthy and controlled relationship with all types of food – especially the sugary kind!
