The Spring Rabbit Angela McAllister 2022-03 At the end of winter, a girl named Spring awakes from her slumber in the snow. She travels through the forest and finds a little bird that has fallen from a tree. The bird is so cold and weak that Spring can hardly hear its heartbeat, so she turns it into a rabbit with thick, soft fur so it will be warm. To show their gratitude, birds gather eggs which Rabbit collects in a beautiful basket. Spring tells Rabbit to give them to the children so that they will know Spring is here. This beautiful tale shows young children how the Easter Bunny came to be.

My Roots and Blossoms Diantha Ain 2011-07-19 In the early twentieth century in the United States, times and activities were radically different from the present day. The pace of everyday life was considerably slower, and children were allowed much more freedom, especially in country towns like Colonia, New Jersey, where this story begins. As a new development of custom homes emerges in this pastoral setting, new friendships and families grow with it, allowing their lives to mix and blend with each other. This was the world that Diantha Ain lived in as a child. In this collection of stories and verse, share in the joys, troubles, and sorrows that life brought to her and her family. The stressful news of the world interrupted daily life only in brief segments on the radio. Ain recalls a simple, four-room schoolhouse with six grades that offered exceptional opportunities for young minds and spirits. In *My Roots and Blossoms*, you will follow a precocious little girl through the Great Depression during the 1930s, as she finds the inspiration, creativity, courage, faith, and ambition that eventually shape her entire life. This charming collection of remembrances, poetry, and memories of years past will charm young and old alike.

Colours the Love Maria Delcarme 2014-03-25 Colours the Love by Maria Delcarme Colors the Love chronicles the author's extraordinary perspectives having been raised under the crushing heel of apartheid in South Africa prior to her first year-long visit with her husband and three children to the United States. Having only known the harsh and unforgiving social climate of South Africa, with equal parts great excitement and trepidation, the author joined her husband as he accepted a research study position in Vermont. Amazed by the stark contrast in the treatment she receives by her new friends and total strangers, she only then began to fully understand the magnitude of the horrendous racism she encountered daily back home. Upon her return to Africa, further forays into the poorest and most heavily stricken areas of Kenya enlightens the author to the significant role politics and corruption play in subjugating the most vulnerable of people. Offering prescient insights and theories, the author presents a thought-provoking submission from a most unique perspective.

Italy Leslie Favor, Ph.D. 2003-12-15 An overview of the history and culture of Italy and its people including Italy's geography, myths, arts, daily life, education, industry, and government.

Amigurumi Chocolate Cozies Sara Scales 2023-08-15 Dress up your favorite chocolates with these 20 sweet amigurumi cozies. Perfect for gifts or table display, these cozies are quick projects to make and share! Chocolate treats are a popular gift all year round, especially in winter, so why not crochet a personalized cosy to make your small sweet presents extra special? In this delightful book, learn how to crochet 20 cute cozy designs. From a happy snowman and a cheeky monkey through to a smiley stegosaurus and a graceful kokeshi doll, there is a range of designs to suit all occasions and gitees! There are three different mini cozy sizes - a larger one for chocolate oranges and muffins, a medium-sized one for chocolate eggs, and a small one for bite-sized goodies such as truffles and round, hazelnut-filled confectionery. Imagine the delight of the lucky recipient when they find, tucked inside the woolly belly of your mini crocheted cover, an entire chocolate treat! The cozies require very little yarn, making them perfect, last-minute scrap-busting presents. These are wonderful petite gifts to crochet for any festivity - birthday parties, Easter, Christmas, Halloween and more.

The Cadbury Mini Eggs Cookbook Cadbury 2021-02-18 We might love our eggs mini, but there's nothing small about our new cookbook.

Hot Cocoa Bombs Natalie Wise 2021-10-05 "Hot cocoa bombs are chocolate truffles filled with hot cocoa mix and other goodies--mini marshmallows, crushed peppermint candies, salted caramel sauce--the melt into a warm mug of milk and create a fabulous cupe of hot cocoa. The bombs themselves can be beautiful, cute, festive, or imaginative, and the flow combinations are just as diverse. Recipes included in this book are easy to follow and make creating DIY hot cocoa bombs almost as much fun as drinking the gourmet hot chocolate they result in." -- Back cover.

Power to Overcome Mary Ann Shepard Ash 2003-07

America Explained: A Guide for Indian Immigrants Allison Singh 2019-04-09 America is a confusing place, especially today. In America Explained: A Guide for Indian Immigrants, Allison Singh draws upon interviews with Indian immigrants and her own experience to answer practical and complex questions about America. For example, if America is a land of immigrants, how could anyone be anti-immigrant? How do I know what is offensive to others? How do I give my children Indian culture in America? How is Donald Trump different from past U.S. presidents? What should I expect as a minority in America? Why are there so many mass shootings in America? How are gender

roles, the workplace, schools, parents, medicine, business, finance and government different in America than India? Allison discusses common questions immigrants share, as well as those they might not know to ask. The book has two goals. First, to provide immigrants with information they need to be comfortable, confident and successful in America. Second, to remind them that America is a land of immigrants just like them, and they are still welcome here.

Go Dairy Free Alisa Fleming 2018-06-12 If ONE simple change could resolve most of your symptoms and prevent a host of illnesses, wouldn't you want to try it? Go Dairy Free shows you how! There are plenty of reasons to go dairy free. Maybe you are confronting allergies or lactose intolerance. Maybe you are dealing with acne, digestive issues, sinus troubles, or eczema—all proven to be associated with dairy consumption. Maybe you're looking for longer-term disease prevention, weight loss, or for help transitioning to a plant-based diet. Whatever your reason, Go Dairy Free is the essential arsenal of information you need to change your diet. This complete guide and cookbook will be your vital companion to understand dairy, how it affects you, and how you can eliminate it from your life and improve your health—without feeling like you're sacrificing a thing. Inside:
• More than 250 delicious dairy-free recipes focusing on naturally rich and delicious whole foods, with numerous options to satisfy those dairy cravings
• A comprehensive guide to dairy substitutes explaining how to purchase, use, and make your own alternatives for butter, cheese, cream, milk, and much more
• Must-have grocery shopping information, from sussing out suspect ingredients and label-reading assistance to money-saving tips
• A detailed chapter on calcium to identify naturally mineral-rich foods beyond dairy, the best supplements, and other keys to bone health
• An in-depth health section outlining the signs and symptoms of dairy-related illnesses and addressing questions around protein, fat, and other nutrients in the dairy-free transition
• Everyday living tips with suggestions for restaurant dining, travel, celebrations, and other social situations
• Infant milk allergy checklists that describe indicators and solutions for babies and young children with milk allergies or intolerances
• Food allergy- and vegan-friendly resources, including recipe indexes to quickly find gluten-free and other top food allergy-friendly options and fully tested plant-based options for every recipe

The Knackered Mother's Wine Guide Helen McGinn 2013-02-14 'Love love love this book. It doesn't just simplify wine, it simplifies life. Essential reading.' - India Knight Do you frequently panic in the wine aisle and end up reaching for the same old thing. Every. Single. Time? Have you found yourself picking the bottle with the nicest-looking label? Do you automatically pick the second-cheapest wine on the list? Are you looking to extend your wine horizons beyond Pinot Grigio? You need The Knackered Mother's Wine Guide. Come and explore the wonderful world of wine with drinks expert Helen McGinn. With tips on how to make the right wine choices for every occasion, from children's parties (because adults need something fizzy too) to planning a wedding or matching wine with food, this book will help you to choose with confidence. Learn what to look for in the discount deals and discover the can't-go-wrong crowd-pleasers, perfect reds to go with your Sunday roast, the best wine to drink with chocolate, plus some unexpected suggestions for your next night in. Wine is about far more than just what's in the glass (although that's important too); it brings us together and helps us to find a moment to stop, connect and share stories. This crash-course guide will help you know what to look for in fridge-door whites, store cupboard reds so that you can make the most of time spent together to raise a glass for a special occasion, or wind-down when the kids have finally gone to bed. Because life's too short to drink bad wine.

Dessert Boards Kellie Hemmerly 2021-11-02 The 50 platters in Dessert Boards are beautiful, scrumptious, and easy-to-make—perfect for cozy nights with the family, for holiday gatherings, and for any other occasion large or small.

The Beginner's Guide to Chick NightTM Colleen Kleven 2011-07-08 Between family obligations and career commitments, it can be challenging for women to find the time to enjoy their own lives. For every woman who has uttered the words, I just dont have time for myself, The Beginners Guide to Chick Night offers a warm and witty look at practical ways women can return to their rightful placeon their own list of priorities. Author Colleen Kleven, co-founder of the Hamner Chapter of Chick Night and founder of Chick Night International, shares an easy-to-follow handbook filled with practical advice that will help women everywhere recharge their batteries and learn to start having fun again. Based on real-life experiences spanning ten years in the lives of three women, Klevins light-hearted guidebook presents ways women can bond with other women in order to reconnect with themselves while sharing recommendations from women who have experienced the intrinsic rewards of friendship that accompany a weekly Chick Night. Fortunately, there is a way for women to regain control of their lives and rise above a seemingly endless list of responsibilities. Its called true friendshipand the laughter, chocolate, and encouragement that come with it are just added bonuses.

My Shenandoah, 1966 Andy Illicny 2015-08-19 My Shenandoah, 1966 was originally planned to merely record an objective local history, but its enthusiastic fans will assure you the book developed well beyond that into a highly readable, engrossing work for everyone. Its ample supply of endearing personal anecdotes and historical peculiarities make this local history quite an entertaining read. The book also makes the jump from mere local appeal by embracing the universal nostalgia of the era we know as The Sixties. The original motive of providing a thorough demography of the Coal Region town of Shenandoah, fifty years before its Sesquicentennial, is achieved. However, the book's scope is much more universal. It is an accurate picture of a small town America in that Golden Age of our nation's history; it takes all its readers back on a nostalgic tour of that extraordinary decade known as the Sixties. The first person narrative has two authors in one. You'll see the Sixties through the innocent eyes of the 9 year old who lived them. Gain his impressions of his education, his views on the town's diversity and its prejudices. Thrill in the childish enjoyment of life in small town America of this generation. But, realize that child has grown into a 59 year old historian. Explore with him the town and county's national prominence and historical figures. Look back at the Corner Stores, the Penny Candy, the Supermarkets, the Cars, the Drinking, and the Holidays. Philosophize with him over the changing times. Look back at a firsthand account of America's most memorable decade and more.

Low Protein Cookery for Phenylketonuria Virginia E. Schuett 1997 Much more than a cookbook, Low Protein Cookery for Phenylketonuria (PKU) is a practical and easy-to-use guide for those who must maintain a protein-restricted diet for treatment of PKU or similar inherited diseases of protein metabolism. It contains hundreds of helpful suggestions for managing the diet. This third edition of Low Protein Cookery for PKU appears exactly twenty years after the original 1977 publication and includes the 450-plus recipes and the hints from the 1988 second edition that have been used and enjoyed by families for nearly a decade. The major new feature of the third edition is entirely new nutrient calculations. The available food supply has changed significantly in the past fifteen years, and nutrient information is much better now. The nutrient calculations in this edition of the cookbook are based on the updated 1995 Low Protein Food List for PKU compiled by the author, which is the most widely used food list for the PKU diet in the United States. Some of the changes in nutrient values are subtle, others more significant; all reflect the best information currently available. Low Protein Cookery for PKU offers recipes that appeal to a wide range of ages, suit a wide range of individual diet requirements, and facilitate integration of the diet into normal family eating routines. Many of the recipes are suitable for the entire family; others include instructions for adapting the recipe to suit the needs of family members not on the diet, or are accompanied by recipes for the preparation of similar non-diet items. The recipes provide gram weights when appropriate, for greater accuracy in preparing the recipes and in maintaining the diet.
