**How to Save Your Planet One Object at a Time** Tara Shine 2020-04-16 'an unpreachy guide [...] free of jargon and full of often surprising information.' The Times Change starts at home. In the office. Change starts with you. Your family. Your friends. Change starts with everyday things. One object at a time. Sometimes it can feel overwhelming thinking about all that needs to be done to save our planet. This book is the antidote to that feeling. Easy to read and easy to do - here's all the information and inspiration you need to make a difference, simply by making smart choices about everyday objects, tasks and habits. Environmental scientist Dr Tara Shine guides you from room to room and

occasion to occasion with environmentally friendly solutions, backed by science. From swapping bottled soap to bars, to replacing cling film with a simple plate, you will reduce your environmental footprint in an instant, while saving money. This book busts persistent myths and will once and for all show that living sustainably can be both fun and convenient. Besides, it will not only have a positive impact on the environment, but your wellbeing too! 'Dr. Tara Shine is an enlightened big-picture thinker, and with this book she shows that she is equally and delightfully adept at bringing details into focus. This book is all about realising the power you have as an individual by informing yourself, asking questions and making smart choices. By getting becoming active and joining the conversation, you become empowered and you do something about the problem we face rather than feeling powerless in its presence.' Christiana Figueres, Former Executive Secretary of the United Nations Framework Convention on Climate Change

**Christmas, Ideology and Popular Culture** Sheila Whiteley 2008-04-26 How do we understand Christmas? What does it mean? This book is a lively introduction to the study of popular culture through one central case study. It explores the cultural, social and historical contexts of Christmas in the UK, USA and Australia, covering such topics as fiction, film, television, art, newspapers and magazines, war, popular music and carols. Chapters explore the ways in which the production of meaning is mediated by the social and cultural activities surrounding Christmas (watching Christmas films, television, listening or engaging with popular music and carols), its relationship to a set of basic values (the idealised construct of the family), social relationships (community), and the ways in which ideological discourses are used and mobilised, not least in times of conflict, terrorism and war.

*The Oxford Handbook of Christmas* Timothy Larsen 2020-10-21 The *Oxford Handbook of Christmas* provides a comprehensive account of all aspects of Christmas across the globe, from the specifically religious to the purely cultural. Contributions by experts from across numerous disciplines cover a range of topics, such as decorating trees, carols, cinema, the Nativity, and the influence of consumerism.

**Anthropogenic Pollution** Arun Arya 2016-07-01 The global environment has been going through significant challenges in recent times due to a number of factors such as industrial pollution, expansion of agricultural land way beyond the fringe forest zones, destruction of virgin forests, loss of quality agricultural lands due to soil erosion, loss of global wildlife and biodiversity, climate change, global warming, devastating forest fires, floods, draughts, melting of glaciers to mention only a handful. The list could possibly go on and on with never ending items being added covering every aspect of modern human life. But there is an important underlying hidden factor behind all these that we all need to identify and realize. The most alarming fact about this hidden factor is that they are all directly or indirectly impacted by human activities in some way or other. Human civilizations have reached great strides from the earliest days when men first discovered wheel or learnt the art of

agriculture and crop and livestock breeding. We have seen the age of computronics, robotics and now moving into the age of biotechnology, genetic engineering and nanotechnology. Our science quests have stretched beyond the borders of the home planet and we have even started stretching hands in unlocking the secrets of distant members of our solar system. This is indeed tremendous progress; there could be no doubt about that. But at the same time we also need to remember about the impending darkness too beneath the lamp that provides light to the rest of room. While we are standing in gaining a lot; but are we paying enough attention to what we are also loosing at the same time. The loss of forested areas, building up carbon dioxide in the global atmosphere, pollution of both fresh and salt water via number of toxic chemicals both of inorganic and organic nature, poor quality of the air we are breathing and the catastrophic loss of global biodiversity- are these not a sign of regress instead of the so called and highly cherished progress towards a darker and destructive future. Human or anthropogenic impacts are in turn devastating the planet with our attention being shifted only to the shinning aspect of our civilizations. There is indeed a darker side of every bright picture that is being placed in front of our glaring eyes. There is no silver lining in every cloud that we see on the sky. We are becoming seriously myopic and choosing to ignore the deadly symptoms that are showing up in front of us every now and then as a result of our own activities. Anthropogenic impacts have been devastating to our global ecosystems and are challenging our local environments in a significant manner. As responsible global citizens we strongly believe that we need to voice our concerns to the incessant global environmental pollution happening at every instance at different corners of earth. Hence is the humble effort of coming up with an international, peer-reviewed volume on Anthropogenic Pollution: Causes and Concerns. The current volume is a collection of a number of articles from scientists, academics, researchers, journalists, bureaucrats and technocrats from different parts of the world. Each article talks about a separate story and highlights some specific problems caused by anthropogenic impact and resulting in detrimental forms of environmental pollution. Each article is complete with its table, graphs, diagrams and bibliography to cater to a wide range of readers from serious academics, researchers and students to environmental enthusiasts and general public interested in stretching their boundary of knowledge way beyond traditional education. The volume will also be useful for both under graduate and post graduate students specializing in environmental science/studies and also for the MPhil curriculum and entry level PhD courses at different academic institutes.

*Christmas Collectibles* Tracy Martin 2010-01-01 Christmas collectables are bought all year-round by dedicated collectors. There is a huge following for Father Christmas collectables whether it's snow globes or cake ornaments and the book is divided into chapters to reflect the wide array of goods available. Other areas include Christmas trees, vintage baubles and decorations. Many people only think to buy these goods at Christmas for use in their own home and the book will be released in late October take full advantage of the market but will also sell to the specialist antiques trade all-year round.

**The Perils of Joy** Samuli Schielke 2012-12-13 Mulids, festivals in honor of Muslim "friends of God," have been part of Muslim religious and cultural life for close to a thousand years. While many Egyptians see mulids as an expression of joy and love for the Prophet Muhammad and his family, many others see them as opposed to Islam, a sign of a backward mentality, a piece of folklore at best. What is it about a mulid that makes it a threat to Islam and modernity in the eyes of some, and an indication of pious devotion in the eyes of others? What makes the celebration of a saint's festival appear in such dramatically different contours? The Perils of Joy offers a rich investigation, both historical and ethnographic, of conflicting and transforming attitudes toward festivals in contemporary Egypt. Schielke argues that mulids are characterized by a utopian momentum of the extraordinary that troubles the grand schemes of order and perfection that have become hegemonic in Egypt since the twentieth century. Not an opposition between state and civil society, nor a division between Islamists and secularists, but rather the competition between different perceptions of what makes up a complete life forms the central line of conflict in the contestation of festive culture.

**BSS: The New Rules of Networking** Rob Yeung 2012-08-17

It's not what you know, it's who you know. Never has this been truer. Networking has become one of the key skills for virtually anyone who wants to get on in their jobs and careers. In fact, in just about any situation, knowing the right person will get you ahead. This book provides the essential rules and secrets to successful networking. It addresses the how, why and who of networking to enable virtually anyone to grasp the key skills and do some serious networking. Far from being a God-given talent, networking is a technique that can be learnt, honed and applied to great effect. Careers consultant Rob Yeung offers savvy and practical advice on networking that will make a genuine difference to your career.

**Doing December Differently** Nicola Slee & Rosie Miles 2006-10-17 Explores how people of faith and goodwill might mark the midwinter season and the Christmas festival with integrity and simplicity.

**Vegan Christmas** Gaz Oakley 2018-09-06 Vegans and vegetarians everywhere will have the best holiday period ever with Gaz Oakley's fantastic alternatives to the trad turkey and trimmings. Gaz is an expert in bold flavours and textures, so everyone can enjoy a spectacular centrepiece and amazing food throughout the festive season. Gaz talks you through the menus and the planning, from Christmas morning breakfast like Sweet

Potato Waffles and Tofu Benedict, through to a show-stopping lunch with the likes of Ultimate Christmas Wellington, "Turkey" Roast and Festive Nut Roast Wreath served with all the trimmings: "No Pigs" in Blankets, Hasselback Potatoes and Fluffy Yorkshire Puddings – all rounded off with spectacular dairy-free pud's including Boozy Tiramisu and Creme Brûlée Tarts. There are vegan versions of mince pies, Pavlova and the traditional Christmas Pudding with Custard, and even a "cheese" board for afters! And it's not just about the big day: Gaz offers a supreme spread of party food for when you're celebrating with guests - Mini Sausage Rolls, Sticky BBQ "Ribs" and Arancini, among many others, plus ideas for Boxing Day leftovers including Bubble & Squeak, Christmas Curry and Gyros. Packed with suggestions for the festivities and advice on how to keep cool in the kitchen if you're cooking on the big day, Vegan Christmas Cookbook offers every solution you'll ever need for what to cook for vegans and vegetarians at Christmas.

The Ministry of Music Kathleen A. Harmon 2004 The Ministry of Music explores liturgical music from the perspective of liturgy as a ritual enactment of the paschal mystery. How do the acclamations, the hymns and songs, the responsorial psalm, and the litanies enable the assembly to participate in this enactment? What musical and pastoral choices best enable music to fulfill this role? And how does the music form us in a paschal mystery spirituality that shapes daily Christian living and makes the relationship between liturgy and life tangible. Book jacket.

Decorating for Christmas Carolyn Schulz 1996 Tartan, toyland, Scandinavian, Victorian, and country themes are used to coordinate Christmas projects, including door wreaths, table centerpieces, and tree ornaments

**A Tale of Two Cities** Roy Dutton 2013-12-01 A tale of two cities is the true story of our tenure of the City Pub, its history and the characters that crossed its doorway. Followed by a dip into the smorgasbord of Manchester's glorious past, from the clubs and pubs that have faded into history. To the buildings and places lost in the passage of time. With contemporary news paper cuttings of events and the people that helped shape the city of Manchester. I hope you enjoy the tale of two cities as much as I have in compiling it.

Samoa International Monetary Fund 2010-02-26 This paper discusses a request from Samoa's authorities for a Disbursement Under the Rapid-Access Component of the Exogenous Shocks Facility (ESF-RAC). The tsunami that hit Samoa on September 29, 2009 has undercut Samoa's economic resilience and prospects for a quick recovery from the global recession. Real GDP is likely to contract in 2010. The authorities have requested a disbursement equivalent to 50 percent of quota (SDR 5.8 million) under the IMF's ESF-RAC. IMF staff supports the request on Samoa's low public debt and credible commitment to sound macroeconomic policies.

Vegging Out This Christmas Lisa Wilfred 2020-12-01 Are you vegan and do you dread the holiday season because your family insists on a traditional turkey dinner? Or maybe you are a non-vegan who will be welcoming and entertaining vegan family member for the Christmas holidays and you're baffled over what to cook for your family this year? So why don't you make holidays and special occasions deeply satisfying and a little bit surprising with these fun, delicious, and vegan-friendly festive recipes? This cookbook was designed specifically for home cooks who are preparing to celebrate this Festive Season with healthier and kinder alternatives, such as: Cauliflower Soup Creamy Mushroom Wellington Maple Glazed Roast with Garlic Mashed Potatoes for the mains Gingerbread Cookies and Pecan Pie with Homemade Whipped Cream for Dessert Spinach and Artichoke Dip and Creamy Jalapeño Poppers for Snacks Pumpkin Spice Latte

and Hot Chocolate with Homemade Marshmallows for Drinks And lots more! I think we can all agree that holiday feasts can be contentious for vegans and their non-vegan family members when a supposedly welcoming season that should bring families together, does the opposite with of the use of animal products added to, or cooked-in popular holiday dishes as part of a long-standing tradition. This simple and easy to follow cookbook is completely meat and dairy-free. It also includes some freezer-friendly recipes so that you can prepare these delicious meals ahead of time to reduce your stress while also saving you time during the holidays. IN ADDITION TO OVER 100 PLANT-BASED HOLIDAY RECIPES THIS EBOOK HAS LOTS OF EXTRAS! Vegging Out This Christmas includes: Over 100 plant-based festive recipes for meals that are good for your health and good for the environment, including vegan roasts, pasta, salads and dressings, dips and finger-foods, mushroom wellington, steak and potatoes, tarts and pies, cookies, edible play dough and lots more. 25 fun-filled holiday activities for children of all ages, and the young at heart adults. A relaxing and energising kids yoga program complete with over 20 child-friendly yoga poses with step-by-step instructions. A 4-week holiday detox program including; - a 1-week detox sample meal plan, - a 3 week vegan sample meal plan, - and a 4-week fitness guide with exercise glossary. This recipe book will empower you to take control of your health and immune system with these plant-based dishes which you can share with the ones you love and finally enjoy fearlessly entertaining holiday parties that can include everyone, without all the stress. Scroll up to buy your copy now! And bring the festive joy to your doorstep this holiday season, while inspiring everyone with your delicious and inclusive menu.

**Calm Christmas and a Happy New Year** Beth Kempton 2020-10-20 A delightful guide to a stress-free holiday season filled with mindfulness, joy, self-care, and festive magic. What if the month of December were soothing instead of stressful? Now you can celebrate a new kind of holiday season—one where you radiate calm and cultivate delight. Calm Christmas and a Happy New Year leads you out of the darkness of winter and back to the enchantment of an authentic and attainable Christmas season filled with merry gatherings, thoughtful gift-giving, and meaningful observations of annual traditions. Covering the time period from late November to early January, this joyful guide embraces all the festive holiday build-up and then welcomes the new year in a holistic, nurturing way. Author Beth Kempton gently encourages you to prioritize your holiday hopes and take a slower, more mindful approach to your celebrations. Kempton also offers helpful suggestions for making the most of winter, and recommends using this quiet time to dream new dreams, set goals, and aspire toward a beautiful year ahead. Filled with personal stories, tips, and advice for staying calm and connecting with others, Calm Christmas and a Happy New Year provides a cozy retreat from the pressure of striving for perfection. Instead of starting the New Year exhausted, in debt, and filled with regret, you will rejoice in the memories of the season feeling rested, rejuvenated, inspired, and calm.

**Fright Xmas** Alan-Bertaneisson Jones 2010-08

America's Religions Peter W. Williams 2008 A panoramic introduction to religion in America, newly revised and updated

**Villa Volvo Vovve** Catherine Edwards 2021-10-28 Words shape and redefine reality, a constantly evolving and fluid interpretation of social rules and ideas. Foreign words expose us to other realities, unfamiliar practices and exotic beliefs. They can help us discover feelings that are not expressible in our native language. They can inspire us to adopt a new lifestyle, or question the way we live. They may seem obvious, obscure, quirky,

unnecessary, universal, or remarkably niche. Swedish has enriched the English language with moped, ombudsman, and smorgasbord. While culturally, Abba, Ikea, Spotify, and Volvo have become part of the global lexicon and in many ways transcend their Swedish origins. But it is more recent words like lagom (moderation) and fika (coffee breaks) which have pushed Swedish language and culture deeper into the global consciousness. But Sweden is more than lifestyle trends and technical solutions. It is the country of fredagsmys (cosy Friday), kosläpp (release of the cows), lillördag (little Saturday, Wednesday), and where the average citizen dreams of a villa, Volvo and a vovve. - Explore the Swedish lifestyle beyond the cliches, with the help of more than 100 Swedish words, translated into English. - Learn more about the country where yes is just another word for no, where the word for poison is the same as for married, and where words without meaning are described as mashed snow. - Listen to three different Swedish dialects with complementary audio files, and wrap your tongue around the pronunciation tricks you need to master to sound like a local. - Be challenged with language quizzes, word games and crossword puzzles. - Enjoy the silliness of direct translations, false friends and other quirky features of the Swedish language – and learn more about the origins of those words we think of as Swedish today. Villa Volvo Vovve is inspired by The Local's popular 'Word of the day' column which continues to explore Swedish language and culture beyond global stereotypes and buzz words.

**International Financing Review 1989-11**

**The A to Z of Anglicanism** Colin Buchanan 2009-08-04

Anglicanism arguably originated in 1534 when Parliament passed the Act of Supremacy, which transferred papal power over the Church of England to the king. Today, approximately 550 dioceses are located around the world, not only in England, but also everywhere that the British Empire's area of influence extended. With an estimated total membership of about 75 million, Anglicanism is one of the largest and most varied Christian denominations. With such a long history and widespread flock, it is not easy to keep track of the variations of a religious community that has not ceased adapting since its inception. Hundreds of entries on significant persons and events, concepts and institutions, rituals and liturgy, and national communities, make this an invaluable reference for religious historians, theologians, and researchers. Also included are an introduction, a chronology that traces the church's evolution over time, and a bibliography.

**Jamie Oliver's Christmas Cookbook** Jamie Oliver

2016-10-20 Jamie Oliver's Christmas Cookbook is your guide to the best Christmas ever. This EPIC cookbook is one you'll come back to year after year: packed with all the classics you need for the big day and beyond, as well as loads of delicious recipes for edible gifts, party food, new ways to love those leftovers AND even the perfect party drinks. 'If you take Jamie's advice, plan ahead and delegate to friends and family, you might just find your Christmas turning out as jolly as the cheery photos of Jamie's festive gatherings' Daily Mail, Books of the Year -----

Inside you'll find all the classics as well as tasty alternatives, including: salmon pate, apple and squash soup; roast turkey, goose and venison; nut roast and baked squash; best roasties, baked mash, parsnips, glazed carrots, four ways to do sprouts; gravies and cranberry sauce, meat and vegetarian stuffings; turkey risotto; Christmas pud, trifles, pavlova; chocolate logs, Christmas cake, mince pies, gingerbread, baked camembert, smoked salmon bilinis, hot buttered rum and many, many more delicious recipes. "I've got all the

bases covered with everything you need for the big day and any feasting meals over the festive period, as well as party fare, edible gifts, teatime treats, cocktails and of course, exciting ways to embrace and celebrate those leftovers. You'll also find all the deeply important technical info you need, such as cooking charts, and wherever possible, I've designed the recipes to be cooked at the same oven temperature, so you can be efficient with time and oven space, and it'll be super-easy for you to mix and match the different elements and build your own perfect Christmas meal. I haven't held back. This book is the greatest hits, all wrapped up in one Christmas parcel, and I hope you have fun looking through, picking your recipes, and building your own plan." Jamie Oliver -----

- 'Our favourite. It is a 400-page-plus volume featuring recipes that will become your go-tos for the festive period and beyond' Independent 'Excellent, wonderful. A good-natured book that will be the cook's friend this season' Evening Standard

**Gardens for All Seasons** Mary Horsfall 2012 Gardens for All Seasons is a gardening lifestyle book by bestselling author Mary Horsfall, celebrating the role of gardens in our lives and advising on the timing of jobs in the gardening year throughout Australia. Monthly chapters include topics such as planning, bushfire preparation, watering, pot plant care, mulching, weeding, fertilising, pruning, propagating, pest control, what to plant for different climate zones and what garden venues and events to visit. Mary details her own gardening year, including jobs done, fruits and vegetables harvested, food cooked based on the harvest, what was in flower and wildlife observations - all on a month by month basis. Each chapter includes a special topic of the month, such as fun for kids in the garden, biodiversity, manipulating microclimate, and fragrance and first aid.--

Management Strategies for Sustainability, New Knowledge Innovation, and Personalized Products and Services

Pejic-Bach, Mirjana 2022-01-14 In today's changing business environment, managers and employees need essential capabilities such as innovativeness to successfully reach organizational goals. In this digitalized era, it is obvious that undigitized firms and organizations will not survive changing demands unless they can quickly adapt and form new business strategies. The upcoming era necessitates a digital transformation in all institutions from government to the non-profit sector. In such a change-oriented and complex business era, both entrepreneurs and leaders must keep up with the latest developments around them. Management Strategies for Sustainability, New Knowledge Innovation, and Personalized Products and Services discusses the emerging topics of digital transformation, new knowledge innovation, sustainability, and personalized products and services and provides a theoretical infrastructure to share the latest empirical research findings within management, knowledge creation, sustainability practices, artificial intelligence, and digital business functions and strategies. Covering a wide range of topics such as Industry 4.0 and user satisfaction, it is ideal for industry professionals, practitioners, consultants, educators, scholars, researchers, academicians, and students.

**Why Wish You a Merry Christmas?** Nick Baines 2009-10

Feeling tired and jaded at the thought of another Christmas? Wondering what the point of it all is? Then this is the book for you! A funny, thought-provoking look at whether Christmas can still hold a deeper meaning for us in the 21st century.
