Who Took the "G" out of Glademore?
Cissy Brown 2009-06-04
WHO TOOK THE G OUT OF GLADEMORE
Who Took the G Out of Glademore is a story that encompasses family; and all its conflict, a grandmother that dabbles occasionally in the Gifts, the intimacy of first love and the trials the close-knit families in a rural town endure to survive. The story takes place in the fictional town of Glademore, Alabama during the late 1950s segregated south. Dramatically, we are taken through and become a part of the heroine, Honey Halls journey, from an inexperienced young girl to womanhood. Along the way, she learns the value of true friendship, a friendship that carries heavy-laden conflicts on her heart. She is there for her best friend, Cora Ann, who is easily persuaded by an unscrupulous, bootleg selling boyfriend; his friend who is determined to be more than a yes-man; and the notoriety of Joe Boy, our protagonist, whose hard-knock experiences in life make him the man he is, a man long before his time. We share the unpredictability of love, the boundaries Honey is willing to cross in a controversial relationship and the vagaries of human nature. You just dont know Honey. I love Joe Boy. You dont know bout love yet, but when you find out, you gonna know its misry, pain, beatins, murder, robbin folks, drinkin hard whiskey, gamblin, its all them things that you caint walk away from when you loves somebody. - Cora Ann

WHEN LIFE IS NOT PEACHY
PIP. LINCOLNE 2020

Korn

Cannibal Dreams
Hadena James 2015-02-13
Some family trees need trimming. When pairs of feet start turning up in Columbia, Missouri, it becomes apparent that a serial killer is prowling the streets. However, the feet are not giving away many secrets and without bodies, it is impossible to identify the victims. The investigation stalls and the killer is free to slaughter as many victims as he can find. When Aislinn Cain and the SCTU shows up, Aislinn realizes that this isn’t a new serial killer. He’s terrorized her hometown before. Her father worked the case the first time with only an exotic bite mark as a clue. Now, Aislinn will start the manhunt of her life as she becomes determined to catch the monster that eluded her father. As she sinks further into the hunt, she'll uncover a horrifying past that proves skeletons should stay locked in closets.

Seven Silly Stories By Scott
Scott Bissett 2022-09-19
Who would you be if your mama was a llama? What happens when a grape becomes a raisin and is eaten? How long would a bee stay on your windowsill if you gave it something sweet to drink? Fun, imaginative, and very silly adventures await in this collection of short, rhyming stories. If you're as curious as a kitten and have the attention span of a fish, these stories will have you giggling, if that is your wish.

Desert Eagle 3
Ken Wakui 2022-09-06
Assault, robbery, arson, murder... In the dark neighborhood of Shinjuku, there's an outlaw security firm that protects the people the law can't help out. From nightclub security to guarding restaurants and keeping VIPs safe, it provides everything a red-light district needs to survive. And when Ichigo encounters its president Kuromitsu Shishigami, it changes his entire life!

The Almost Archer Sisters
Lisa Gabriele 2008-10-07
Georgia "Peachy" Archer always thought she was happy with her choices in life: quitting college, marrying young, raising two boys in the same small town where she grew up. But just as Peachy's life is beginning to settle into a careful routine, her sister's life begins to dangerously unravel. Beth Archer chose a different life: fancy apartment in Manhattan, fancy friends, making lots of money. She's been on her own since she was a teenager, and she's still on her own, outgrowing dress styles and boyfriends faster than Peachy can inherit them. But on a visit home one weekend, Beth upends everything Peachy thought she knew about being happy. In the tradition of Jennifer Weiner and Melissa Bank, The Almost Archer Sisters is a refreshingly honest portrait of sisterhood, motherhood, and female mayhem in its many states of grievance, grace, and forgiveness.

Tucker's Peach
(Fever's Edge 18)
Lynn Hagen 2021-08-09
[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Contemporary, Alternative, Paranormal, Shape-shifters, Werewolves, Romantic Suspense, MM, HEA]
Viridian has gotten himself into a real pickle. Desperate not to lose his home, he makes a deal with what he thinks is a nice fairy. Little did Viridian know he was dealing with an unseele, the darkest, most evil fairies there ever were. Not only did Kalan renege on their deal, but he sends a bounty hunter after Viridian. Afraid of losing his life, Viridian takes off, ending up in Fever’s Edge and getting more than he bargains for. He’s a gazelle, and the man who wants to save him is a wolf. Talk about a slippery slope. Tucker is shocked when he walks into the local diner to discover the gazelle shifter at the counter is his mate. When Viridian tells him the trouble on his heels, Tucker takes his mate home to protect him. Unfortunately, Solo is the bounty hunter after Viridian, and rumor says he always catches what he hunts. But Tucker isn’t going to let anyone take what is his. He'll protect Viridian with his life. Lynn Hagen is a Siren-exclusive author.

A Season of Mysteries
Rusty Whitener 2013-04-05
Faith was relatively new to Zack, Donnie, Skeeter, and the other boys who had played together on the 1971 champion Little League team. That baseball season was forever imprinted on their souls, due in large part to the life-changing actions of a boy named Rafer. But this summer—1976—they would discover the real depth of their souls and the dangerous influences battling for control of their lives. A follow-up to Whitener's acclaimed debut novel, A Season of Mysteries explores the seen and unseen spiritual powers at work and the Ultimate Power who controls it all.

Dr. Eleanor’s Book of Common Ants of Chicago
Eleanor Spicer Rice 2017-08-03
Did you know that for every human on earth, there are about one million ants? They are among the longest-lived insects—with some ant queens passing the thirty-year mark—as well as some of the strongest. Fans of both the city and countryside alike, ants decompose dead wood, turn over soil (in some places more than earthworms), and even help plant forests by distributing seeds. But while fewer than thirty of the nearly one thousand ant species living in North America are true pests, we cringe when we see them marching across our kitchen floors. No longer! In this witty, accessible, and beautifully illustrated guide, Eleanor Spicer Rice, Alex Wild, and Rob Dunn metamorphose creepy-crawly revulsion into myrmecological wonder. Emerging from Dunn’s ambitious citizen science project Your Wild Life (an initiative based at North Carolina State University), Dr. Eleanor’s Book of Common Ants of Chicago provides an eye-opening entomological overview of the natural history of Chicago’s species most noted by project participants—and even offers tips on keeping ant farms in your home. Exploring species from the hobbit ant to the tiny trapijaw ant, and featuring contributions from E. O. Wilson and Field Museum ant scientist Corrie Moreau as well as Wild’s stunning photography, this guide will be a tremendous resource for teachers, students, and scientists alike. But more than this, it will transform the way Chicagoans perceive the environment around them by deepening their understanding of its littlest inhabitants, inspiring everyone to find their inner naturalist, get outside, and crawl across the dirt—magnifying glass in hand.

Just Peachy
Holly Chisholm 2019-03-19
"In this autobiographical collection of thoughtful and poignant comic vignettes, Chisholm explores her experiences with depression, anxiety, and love."
—Booklist
Just Peachy is a comic series that explores what the day-to-day is like with depression and/or anxiety. The all-too-real cartoon protagonist gives readers a character to empathize with, and helps explain some of the not often talked about consequences and symptoms of having depression. The comics also explore the themes of heartbreak, finding love, dealing with stress, and capturing the magical moments in life that keep us going. Through dark humor and cute illustrations, the subject matter becomes a bit more bearable, allowing for honest discussion about things like treatment and getting through anxiety attacks, and providing some comfort in times of struggle. For anyone affected by mental illness, Just Peachy shows that you are not alone. Simply put, this is an encouraging collection of comics about being just okay sometimes. “So brave of Holly Chisholm to share her struggles with mental health issues through this creative medium. Just Peachy will inspire others to connect to, navigate through, and recover from their own day-to-day trials and tribulations of living with a mental illness. Well done!” —Dr. Carlin Barnes and Dr. Marketa Wills, authors of Understanding Mental Illness and founders of Healthy Mind MDs

Salvation and Tombs #1 : The Nature of a Victim
Rebel Waste 2016-02-26
This is my 5th book of poetry. Inside I explore and work through descriptions of victim-hood using poetry and stories. Interspersed with 30 poems written sequentially are poems that dealt with the same topics yet where written before or after the specific date.

The Past and Other Things That Should Stay Buried
Shaun David Hutchinson 2020-04-21
“A fearless and brutal look at friendships...you will laugh, rage, and mourn its loss when it’s over.”
—Justina Ireland, New York Times bestselling author of Dread Nation
“Simultaneously hilarious and moving, weird and wonderful.”
—Jeff Zentner, Morris Award-winning author of The Serpent King
Six Feet Under meets Pushing Daisies in this quirky, heartfelt story about two teens who are granted extra time to resolve what was left unfinished after one of them suddenly dies. A good friend will bury your body, a best friend will dig you back up. Dino doesn’t mind spending time with the dead. His parents own a funeral home, and death is literally the family business. He’s just not used to them talking back. Until Dino’s ex-best friend July dies suddenly—and then comes back to life. Except not exactly. Somehow July is not quite alive, and not quite dead. As Dino and July attempt to figure out what’s happening, they must also confront why and how their friendship ended so badly, and what they have left to understand about themselves, each other, and all those grand mysteries of life. Critically acclaimed author Shaun Hutchinson delivers another wholly unique novel blending the real and surreal while reminding all of us what it is to love someone through and around our faults.

Artifacts
Mary Anna Evans 2010-07-31
Faye Longchamp has lost nearly everything except for her quick mind and a grim determination to hang onto her ancestral home, Joyeuse, a moldering plantation hidden along the Florida coast. No one knows how Faye’s great-great-grandmother Cally, a newly freed slave barely out of her teens, came to own Joyeuse in the aftermath of the Civil War. No one knows how her descendants hung onto it through Reconstruction, world wars, the Depression, and Jim Crow, but Faye has inherited the island plantation—and the family tenacity. When the property taxes rise beyond her means, she sets out to save Joyeuse by digging for artifacts on her property and the surrounding National Wildlife Refuge and selling them on the black market. A tiny bit of that dead glory would pay a year’s taxes. A big

valuable chunk of the past would save her home forever. But instead of potsherds and arrowheads, she uncovers a woman’s shattered skull, a Jackie Kennedy-style earring nestled against its bony cheek. Faye is torn. If she reports the forty-year-old murder, she’ll reveal her illegal livelihood, thus risking jail and the lose of Joyeuse. She doesn’t intend to let that happen, so she probes into the dead woman’s history, unaware that the past is rushing up on her like a hurricane across deceptively calm Gulf waters...

Being Always Peachy
A. Williams 2014-12-21
What does it mean to be peachy? When the phrase first appeared in American slang, it meant to be doing great. But somewhere in the last 50 years, being peachy started to mean something else. Now, if you say you're peachy, you really mean your life stinks. That's because life isn't fine or excellent. Life is hard. Our world is broken, and it's not getting better. So how could your life be anything but awful when there's so much wrong in it? The truth? If you belong to Christ, your life can be beautiful, even if your world is a wreck. God has made a way for us to live a beautiful life in the middle of a broken world. That's what being peachy means. Even if the world is wrong, with Christ on your side, you're all right. Being Always Peachy is a year's worth of common sense devotionalson how to walk right side up in an upside-down world. Get your daily dose of humor and truth from God's Word in a fast, easy-to-read passage that'll help you stay on track and remind you that even when life is tough, you can still be peachy.

Wind 2 the Wind
Chelsea Peterson 2013-04-18
This is my first poetry book and I want to share it with the world, which for me is about having something I created, not making money or being famous, just having something I can be proud of. I have used writing as a way to express myself from going through hardships, boredom and just being inspired. I don't have a certain style or pattern. My work is random and some of it very personal. I don't expect the next person to understand fully but it's just nice to put something out there, even if only one person gets something good out of it. I plan to always write and hope to publish a couple more books. I appreciate all kinds of people and the gifts they bring into the world. I think mine is words, and it's like an emotion, sometimes you just have to let it out. I want to show myself more and this book is helping me do it.

The World-Tilting Gospel
Dan Phillips 2011-07-13
The first generation of Christians were not popular. They were ridiculed, persecuted, yet according to Acts 17:6–7, they “turned the world upside down.” As a result, their message was communicated louder and clearer than any message before or since. Even with today’s social medias, big-name celebrities, and shiny evangelism techniques that add glitz and glamour to the gospel, today’s Christians fail to communicate as effectively as the first followers of Christ. Simply put, the early church turned the world upside down, but today’s church has been turned upside down by the world.

Reports of Cases Decried in the High Court of Chancery

Dr. Eleanor’s Book of Common Ants of California
Eleanor Spicer Rice 2017-08-03
Did you know that for every human on earth, there are about one million ants? They are among the longest-lived insects—with some ant queens passing the thirty-year mark—as well as some of the strongest. Fans of both the city and countryside alike, ants decompose dead wood, turn over soil (in some places more than earthworms), and even help plant forests by distributing seeds. But while fewer than thirty of the nearly one thousand ant species living in North America are true pests, we cringe when we see them marching across our kitchen floors. No longer! In this witty, accessible, and beautifully illustrated guide, Eleanor Spicer Rice, Alex Wild, and Rob Dunn metamorphose creepy-crawly revulsion into myrmecological wonder. Emerging from Dunn’s ambitious citizen science project Your Wild Life (an initiative based at North Carolina State University) and the work of Brian Fisher with the California Academy of Sciences, Dr. Eleanor’s Book of Common Ants of California provides an eye-opening entomological overview of the natural history of California’s species most noted by project participants—and even offers tips on keeping ant farms in your home. Exploring species from the high noon and harvester ants to the honeypot and acrobat ants, and featuring Wild’s stunning photography, this guide will be a tremendous resource for teachers, students, and scientists alike. But more than this, it will transform the way Californians perceive the environment around them by deepening their understanding of its littlest inhabitants, inspiring everyone to find their inner naturalist, get outside, and crawl across the dirt—magnifying glass in hand.

Bloodline
Y Stokes 2017-01-16
Looking for the perfect mate is hard enough, but what if you were the unhappily married Mayor of Philadelphia? Mayor Bradford faced a career ending scandal when he divorced his wife and chose to find a new love on the pages of a popular website. Sounds strange that a Mayor would take these steps, but it’s even stranger when his new bride is found to have biblical DNA. Amber grew up not knowing she was a descendant of a biblical bloodline. It’s not until the Mayor chooses her as his new bride that her story begins to unfold. She’s shocked to learn her connection to the Bible and that she has supernatural gifts. With the help of Sara Rubin and Max Clark, Amber will save a life, uncover a new revelation that will change the landscape of the city forever, and fall in love. This is the 2nd book of the "Untold" series.

Peachy ?The Warrior Princess?
Gabriela Duran 2014-02
Peachy "The Warrior Princess" is a journey of hope, wisdom and love. Peachy was full of light, and even in her darkest moments she believed there was something better coming her way. Peachy is a teacher; she has taught her humans to never give up and never stop dreaming. She was also a warrior and a survivor. Peachy was also a Princess because once she realize she could have whatever she wanted, whenever she wanted, she did became bossy and demanding. She was and still is, as we like to call her, "our little angel" in a dog disguise.

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The Taking
Celeste Castro 2019-12-01
Peachy is on a mission: steal a priceless family heirloom. All is going according to plan until she finds herself teetering on the edge of death. She wakes up in a bizarre world and under the care of a strange woman who can communicate without spoken words. Little does Peachy know that by taking the amulet, she’s enacted a powerful chain of events and roused a deranged being who will stop at nothing to find her and retrieve the amulet. Noomi is Fae—a Seer and Shifter—who shares a unique bond with her sister, a two-hundred-pound mountain cat. Their days revolve around creating art, making maps, and enjoying pipeweed. Until the day that Peachy enters their world and plunges it into chaos. The Taking is a tale of a powerful amulet—a gateway from one world to another. With Noomi’s help, Peachy must combat the forces working against them...forces that will stop at nothing to kill them both.

Traes
Casey Czichas 2012-07
After eons of imposing his will upon the universe a very powerful and aging wizard named Phet, terrified of being unable to escape his own mortality, seeks to appoint an heir worthy to succeed him. In Traes Wizards and Kings, Phet enlists the disturbing guidance of his creator, an immortal sorcerer named Laus-Jamas, who is the oldest living being alive; however, this turns out to be much more unsettling and ruthless than either of them would have guessed. As the monarchs of a planet called Traes endure extraordinary, often brutal tests to prove themselves worthy to succeed Phet, the mighty Laus-Jamas silently hones his own deadly agenda in a vexing war he has secretly declared on his insane protégé. This tale concludes in the second book of this series: Traes - Castles and War.

The Getting of Wisdom
El Morya; Sophia Ovidne 2014-07-30
Ascended Master El Morya has channelled, through Sophia Ovidne, seventy discourses containing his enlightened wisdom, on topics as diverse as overcoming tiredness and overwhelm, to what Hell really is, to becoming an orchid heart. His poetic prose and warm humour touches the soul, provides new understanding, and uplifts the heart, especially in times of dark thoughts and stuckness. El Morya shows us helpful ways to create a joyful, fulfilled, and loving life.

When Life is Not Peachy
Pip Lincolne 2020-03-03
A warm hug in book form 'Warm, wise and brilliantly practical. Pip Lincolne is exactly the woman you want in your corner when your chips are down.' - Clare Bowditch
When life has taken a difficult turn, our heart is aching and we're only just holding it together, it's easy to question everything. Who even am I, and how will I keep going? We need someone in our corner to travel this journey with us and help keep our spirits up. This book is a gentle guide for navigating loss, grief or other sad times - a resource both for those who are downhearted and those supporting a loved one. With thoughtful advice on dealing with friends and family; healthy tips for eating and exercise when you don't feel like it; and a just-keep-yourself-going '101' for when you're feeling very low. It's the bolstering force we need to feel a bit closer to ourselves, or find a bit of peace. For years Pip Lincolne has had a dedicated readership through her blog Meet Me At Mike's and Frankie magazine. She wrote this book during some tough times of her own, in the hope that what she learned might help someone else feel a little better some day.

The Almost Archer Sisters
Lisa Gabriele 2008-12-30
Georgia “Peachy” Archer Laiberte has almost gotten her life under control. Peachy, her husband Beau, and their two rambunctious sons live on the family farm in a small town in Canada, just across the border from the U.S.. Their closest neighbor is Peachy’s draft-dodging hairdresser father. Lou, who lives in a trailer on their land. Although her son Sam has epilepsy, Peachy, Beau, and Lou have worked out a successful system to care for him and maintain as normal a family life as possible, and Peachy’s status as a superhuman caregiver has its own rewards. When her life on the farm isn’t quite enough, Peachy can always live vicariously through her glamorous, New York City-dwelling sister, Beth. Thin, successful, and passionate Beth has clawed her way to the top, stepping on anyone it takes to get there — including, every so often, her younger sister. Still, Peachy and Beth are close, and they support each other through crises of all kinds. They support each other, that is, until Beth decides to sleep with Peachy’s husband Beau — who just happens to be Beth’s ex-boyfriend. Furious, Peachy decides to go to New York City — alone — and leaves Beth home to care for her family. As she spends a terrified, exciting weekend alone in the middle of Beth’s life, Peachy must confront questions of love, loyalty, and family to find her way back home.

Morning Neurosis
Juliette Miranda 2009-08
Is there life after music? Juliette Miranda isn't quite sure. While living out her dreams in Los Angeles, she is forced to make an unexpected return to her hometown where she must struggle to save her relationships, and sanity, from the long shadows of her rock 'n' roll past. Despite her best efforts, some issues refuse to stay locked in her closet. By recounting tales of her past - like the rock star boyfriend who sang more romantic songs to his dog than to her, or being abandoned in Jamaica by a drugged-out Jim Morrison wanna-be - Juliette hopes to understand her present. Her chronicle reveals an open, passionately honest look at a girl whose life isn't turning out exactly as she hoped. Her morning neuroses become the vanguard to a broader story that incorporates her loving yet crazy family, indelible friendships, and career mishaps. Lightly fictionalized to protect the identities of the not-so-innocent, Morning Neurosis is more than a kiss and tell. It's an intimate look into Miranda's real life experiences as she strives to find love, music ... and herself.

Lives and Voyages of Drake, Cavendish, and Dampier
Christian Isobel Johnstone 1831

A Peachy Life
Leonora DiPietro Dixon 2011
Born into an Italian-Catholic family in a tight-knit Baltimore neighborhood, Leonora Dixon recalls the happy days of an innocent childhood. But how would she find the courage to leave a horrible marriage, provide for her daughters, and take charge of her future? “Peachy” Dixon’s story is typical of girls born into immigrant families at the onset of World War II. They grew up in the 1950s and ’60s immersed in stereotypical roles for women. So when the “man of the family” turns out to be an abusive drug addict, where is a woman and mother to turn? Her story is unique for the time in that she made bold decisions, but the right ones for the safety of her family. After a series of waitressing jobs at some of Baltimore’s most famous restaurants, where she surrounded herself with friends, Leonora now looks back at what has been a “peachy” life.
