Norway W. Johnson 2016-08-30 Norway Travel Guide This guide will help you move around Norway with ease and enable you to enjoy your stay in Norway. We have focused on all the tips you need to get a visa to Norway, get car on arrival at the airport, find meals and places to dine at, and the most amazing places to tour. Travelling isn't always just about relaxation. It can be about finding yourself, exploring cultures, meeting people, understanding the traditions, comparing ways of life, encountering new languages, getting to taste new cuisines and seeing the vast expanses of nature and the creations of man. Life could be called the culmination of all the experience one has in the world. There are many places one could travel to, but one of the most interesting and most visited places of all the world is Europe. The exotic nature of Europe is what has been interesting people for centuries. One of the best places in

Europe is Norway. Norway is one of three Scandinavian countries, and is known for its beautiful and long extending coasts. Surrounded by Finland, Sweden, and Russia, it is world renowned for its beauty and scenery. The fjords in Norway are famous world over and are well admired for their rocky areas. Norway is a large country with a population of just 5 million and thus sparsely populated. One of the best times to visit the country could be in the winters, which give you an amazing feel of the cold and the snow. The places we will focus on here are: Lofoten, Scandinavia, Spitsbergen, museums, national parks, Bergen, Oslo, Troms, Dovre Mountains and much more. You will have a chance to interact with the Norwegians and learn their culture and festivals. It is not only a pleasant place to take your family for holidays but also a place to enjoy the world's beauty. Travel to Norway is easiest using air transport rather than the roads or trains. Even in Norway itself, people travel from town to town using air travel. The prices of the tickets vary, whether you are traveling to the northern part of the country or the south. It is my hope that this book will be your companion throughout your travel and stay in Norway. Enjoy! Order now! Click the orange button on the top of the page!
