WITH LOVE FROM ISRAEL Col KD Segan 2021-02-23 After floating in the Dead Sea, the six friends came out and started walking on the shore towards salt formations at a distance. Amyra and two girls were leading. Aghast they stopped abruptly, to see a thickset man holding a girl in bikinis and pushing her towards a fold in the piled-up salt formations. It infuriated Capt Shaurya Vardhan who saw the man with an arm-hold around the girl's neck, flaunting a knife blade in his other hand. The girl was struggling and whimpering to let her go. The man was heard saying, 'Co-operate with me and I won't hurt you. Shaurya warned the goon in his deep voice, 'stop there you rascal.' Surprised, the man whirled around to face the challenger with a speed of a

cobra stepped over. He shoved the girl behind him and came at the Captain, raising the knife aiming at his chest.

The Confirmation of a Dream Joyce Michal 2007-11 Come take a faith walk with me. This book is meant to be simple, but profound. My prayer is that someone reading this book will better understand their own journey. It's an adventure, a trip that is designed especially for you by the very one who created the universe. Miracles and dreams are still happening today. Walk it out by Faith, which is a firm belief in something for which there is no proof, complete confidence, or given with strong assurance: Binding. Life with Christ is just that!!

Binding-- a contract for life. Hold on, sometimes the ride is up the mountain and down the other side.

Sometimes it is like sailing on the calm open sea, or like taking a bumpy ride in an old wagon. We all spend eternity somewhere; why not make the right choice. Remember we get to make the choice; God has left that up to us. Joyce Michal has devoted her past 16 years to other people's needs. Her entrepreneur spirit has directed her how to do all things through Christ who strengthens her. She wasn't an avid reader, but now finds herself writing a book in order to tell people about a dream God gave her nineteen years ago that drove her to success. God is still in the miracle business. Can one do that without a good education? Evidentially so, she has managed to do it with the help of her personal savior (Jesus). We can do all things.

Earth Is In Space! (And Other Thoughts That Hurt To Think) Jay Norry 2018-06-27 We all know Earth is in

space, and we all somehow live with the knowledge every day. We also know a bunch of other things that are simply part of living on this planet, out here in space. Some of those thoughts can be a little terrifying, and it can sometimes hurt to think about them; but many of us love to mull them over just the same. Serious issues have a history of dividing people, while sharing amusing observations over those same issues can bring us together. The topics covered in these pages are definitely serious; but the heaviest stuff is what we need to learn to laugh about the most. If you are both keenly aware of how messed up this world can be, and able to see the value in having a sense of humor...this was written just for you. This book includes previously posted (but no longer available) Thoughts That Hurt to Think blog posts and few new surprises.
